

Job Title: Blockchain Developer

Location: Addis Ababa [Office-Based]

Experience: Minimum 1 year

Salary: Monthly 54,000 Birr (Gross)

Role: Blockchain Developer

Employment Type: Full Time, Contract

Join our dynamic team as a Blockchain Developer! iCog Labs and Mindplex are looking for a highly skilled and experienced individual to work from our office, bringing their expertise to help us shape our existing product with top notch blockchain.

Requirements:

- Minimum of 1 years of Blockchain development experience.
- Proficiency in Cardano network and Haskell.
- Working knowledge of ERC-20 standards and Solidity.
- Good command of JavaScript, Python, Lucid and Plutus.
- Expertise and blockchain skills with concepts like a consensus mechanism, distributed ledger technology, and cryptographic hash functions.
- Bachelor's degree in Software Engineering, Computer Science or a related field (Master's preferred).

Responsibilities:

- Develop, test, and deploy blockchain applications, including smart contracts.
- Collaborate with cross-functional teams to design and implement blockchain solutions.
- Ensure the security, scalability, and performance of blockchain applications.
- Stay updated with emerging trends and best practices in blockchain technology.
- Troubleshoot and resolve technical issues related to blockchain implementations.
- Optimize and fine-tune existing blockchain apps/smart contracts for efficiency and reliability.
- Maintain and extend existing client-side and server-side programs and record all stages.

Preferred Qualifications:

- Commercial project experience in blockchain.
- Proficiency in software management tools like Jira.
- Demonstrated willingness to go above and beyond the job description.

If you are a skilled blockchain developer with expertise in Cardano and Haskell, and you possess a working knowledge of ERC-20 standards and Solidity, we encourage you to apply.

To apply: please submit your motivation letter and CV to email@mindplex.ai

Submission Deadline: November 12, 2023

We are an equal opportunity employer and welcome applications from candidates of all backgrounds.
